

In the midst of Corona,
STUDY THE WORD
it will keep you grounded in Him!

Greetings to all of you from Northern Michigan, where we are spending some time and having an almost family reunion. We are doing fine in a strange summer with so many uncertainties because of the COVID-19 pandemic. We are thankful nonetheless with great health and great family.

Giuseppe, Joshua and Ben were able to remodel the cottage on Bois Blanc Island...it was lots of work. We are thankful for technology that allows Giuseppe to continue holding bible studies during the day here in the States and overseas.

Please pray for Mark who meets with Giuseppe five times a week to study the Word. Mark is thankful because he does not have to pay Giuseppe for studying the Word of God. That was a surprise to Giuseppe to hear that previously someone asked Mark for money in order to study. It would be OK if he was in a Christian college...

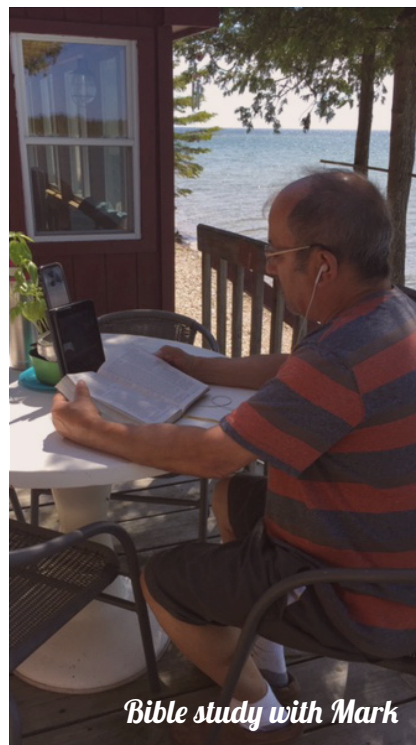

Still there is no news for reopening the borders with Italy so far. Actually, any visitors coming from the USA to Italy and the E.U. are not allowed to enter in order to keep the risk of the pandemic from spreading. We hope that soon all of this will change so a foreseeable date might be set for the return to Sicily.

As we desire to get together in churches and other meetings, as usual, do not cease to pray so His Word changes people's hearts. Also, let's not forget to pray for the persecuted church and the genocide in Nigeria. We continue to thank and pray to the Lord for your love toward us in ministry.

As always, a reminder to: Let's go fishing (really) for One more for The One. Serving together Our Lord and Savior,

Giuseppe and Pennie Collesano

**Ciao for now.
God bless you.**
