

BIBLE STUDY GROUP ENJOYING A BREAKFAST

APRIL NEWSLETTER

HE IS RISEN! HAPPY EASTER!

Greetings to all of you! Giuseppe's birthday and another month have passed. We thank you for your continued prayers and support of Act Now Ministry. The focus for the past month has been on the conflict in Ukraine and what can be done to stop it, much prayer is required. We continue to pray for Ukraine and especially for the believers effected by this conflict to be the light and salt to those around them.

MAMMA DANIEL BAPTISM IN 2016

We are receiving some refugees in our area of ministry, and we are actively responding to the need, providing food, clothes, shoes, and bibles. Thank you for praying and supporting. We want to share with you as a matter of praise and prayer that after more than 30 years, Giuseppe Collesano and his wife Pennie reconnected with friends from a long time ago: Oronzo and Esther Basta. They met while Pennie was a missionary in Rome and Giuseppe a student in bible college. Please pray for Esther as she is battling cancer. Please also pray for their daughter who is confined to a wheelchair.

Some of you might remember, Giuseppe took a very young man, Ezra (10), on a mission trip. His desire was to give a gift to a refugee child. Ezra provided a children's coloring book bible to a child named Daniel; his father was killed by

ISIS in Libya. Daniel and his mother migrated to Sicily (2015). Mama Daniel (don't recall proper name) was baptized by Giuseppe a few years back. God called Mama Daniel home this past month, the child Daniel is currently in being taken care of in Sicily and in good hands, please pray for Daniel.

The group bible study goes forward here, which Giuseppe participates in. This group has been well used by God in supplying bibles and funds for the ministry and we are blessed by that. Please also pray for the leader of the study, Vallen Prest. He was asked to lead a nearby church. Vallen has been working alongside Act Now Ministries before Covid for four years in a row in Sicily and Sardinia. We are praying to restart once all the restrictions are lifted so he can come and teach again.

Lastly, do pray for a couple in France, Ivan and Laurens. They are under quarantine with a hard case of Covid. Through another believer in Germany, Giuseppe was asked if he can find a bible in French for delivery to Ivan and Laurens, Praise God, this request has been filled! Hopefully, there will be a bible study long distance with these dear people who are searching for the Truth.

Also, pray for Immanuel in Germany with Covid; he was greatly used by God in support of ANM and worked alongside Giuseppe.

Our family (Collesano's) are doing great and growing in celebrating first birthdays and more. God is good.

Again we thank you and pray His blessings upon you. Great to have you as a part of the Team.

As always: Let's go fishing (really) for One more for The One. God bless you.

Giuseppe and Pennie Collesano,
President of Act Now Ministries.
Ciao for now.
