

# ACT NOW MINISTRIES

JULY 2023 NEWSLETTER

Greetings to you all, friends, and partners of Act Now Ministries. We hope you had a blessed Fourth of July, and your summer has started well. Let's pray about these fires that are affecting so many in our country, also the smoke is arriving in Europe too. As we see what's happening here, more and more we see that sin has made this world frail. We as Christians need to be the bringer of healing wherever He has planted us.

Giuseppe is currently spending time with his family and reconnecting with others that have expressed their desire to serve overseas. Sometime ago we shared about some who the Lord has brought into our lives concerning becoming a missionary. God is good . We ask you to pray and keep on praying for them. Pray for the White family in Indiana. For M. Valenti in Michigan, and D. Jounghans in Virginia . And now a blessing from God, something that will make you praise the Lord (besides the fact you woke up today). Giuseppe was contacted by a young couple a month ago regarding the possibility of serving in Sicily.

## CHRIS AND ALICIA HAMILTON

We love to introduce all of you to the Hamilton family from North Carolina; Chris and Alicia, who have three children . After many prayers and talks, they have decided to join Act Now Ministries as missionaries. We are elated from the thought of our humble beginnings and how the Lord has gifted us with brothers and sisters which share the same burden for the lost.

Yes! do pray earnestly for the Hamilton's; by the way Chris has Sicilian blood in him too.

Later we will ask them to introduce themselves to you all faithful brothers and supporters of ANM .

God is Good. Pray for His leading in their lives and all the process to make it possible for them to join in the ministry that the Lord has already prepared for them. There is no date, yet, for the Hamilton's to transition to Italy, but we know God is faithful and His timing is perfect. You might recall when the Lord said: look the harvest is ready, pray the Lord of the harvest to send more laborers; and He answered your prayers and ours. Thank you. More to come about them soon.

The Geraci bible study

Also pray for the ministry that is going on overseas with our co-laborers, Giuseppe La China and Isidoro Cavallaro in Belpasso and Catania.

Pastor Kurt continuing with a refugee camp in Geraci in the province of Palermo . Not to forget the ministries that we have been involved near Florence and the city of Cremona . Also, we are considering a return trip to Sardegna (Sardinia) in October with a small group to teach and preach there . Yes, your prayers are valuable so that much can be accomplished . We will go through the doors that the Lord is opening and following His lead .

God bless you .

As always : Let's go fishing ( really) for one more for the One.

Serving together our Lord.

Giuseppe and Pennie Collesano .

Ciao for now.
