"God is good." It might be an old statement, but it remains a powerful truth as we reflect on how He continues to bless our service in Italy and beyond. As we transition into this season, we wish you all a Blessed Christmas and a very Happy New Year!

A Season of Expansion in Northern Italy

This November, Giuseppe returned to Northern Italy to minister to local churches and believers. We are amazed to report that the number of doors opened for the Word has doubled since his last trip in May.

- Logistics & Health: The journey involved the familiar overnight ferry ride (from midnight to 4 PM the next day). We thank God for the stamina and health granted to Giuseppe to manage these demanding schedules.
- Strengthening the North: A highlight of the trip was visiting our brother Daniele and his wife Annamaria. We were able to replenish their garage with gospel literature to be distributed across ten cities outside of Bologna.
- New Representatives: We are excited to announce that Daniele and Annamaria have accepted the responsibility to represent ANM in Northern Italy. Stay tuned for their full bio and photos in our next update!

Field Notes: From Prisons to Mountain Peaks

- Montebelluna: Giuseppe spent a week preaching here and providing Brother Domenico with materials specifically designed for reaching refugees and those in the prison system.
- Asiago: Located at 3,500 feet, this town (famous for its cheese!) now has a growing desire for a place of worship. Despite the freezing temperatures—below 32°F—the warmth of the congregation was evident as they filled a small meeting space to hear the Word.
- Bassano & Ozzano: We enjoyed wonderful fellowship with Pastor Beppe and Pastor Giorgio's family, celebrating his wife Tiziana's 50th birthday.

The Mission Field by the Numbers

Italy remains a land of great spiritual need. Currently, there are over 500,000 refugees in the country, yet less than 1% of the 57 million residents declare themselves as believers. The North, in particular, is a field that needs tilling, sowing, and watering.

- Prayer Request: Please pray for Annamaria (Daniele's wife) who is currently facing an illness. Also, pray for the Hamilton family in Florida as they consider a future move to serve in Sicily next year.

Your partnership makes this work possible. Thank you for your prayers and financial support, which allows us to present the Gospel in a country still steeped in idolatry.

Yours in Christ, Giuseppe and Pennie Collesano Ciao for Now!
